Nomi single-sided adhesive paperUW-F8013 Product Specification Sheet

Document Number: (UW-DC-TDS031)

■ Structure:

■ Features:

Nomi paper tape is a fire-retardant single-sided tape with a base material coated with flame-retardant adhesive. It is insulating, has good adhesion, high temperature resistance, and good holding power.

Strong, leaves no residue

■ Product Application:

Suitable for fireproof insulation of batteries, motors, transformers, etc.

■ Specifications:

Testing items	Inspection standards	unit	data
Substrate material	New Friends Standard	N/A	Nomi Paper

Color Appearance		New Friends Standard	N/A	White
Specification	length	Counter	rice	50M
	width	tape measure	mm	As needed
Flame retardant standards		UL94	N/A	V0
thickness	Total thickness	ASTM D3652	um	130±10
	adhesive layer	ASTM D3652	um	50±5
	Substrate	ASTM D3652	um	80±5
Peeling force		GB/T2792-2014	gf/25mm	>1000
Tensile strength		ASTM D-347	kg/25mm	>10kg
Breakdown voltage		ASTM D-347	V	800V↑
Temperature resistance		New Friends Standard	°C	- 20~80°C
Shelf life		Original packaging. Store at 30±5°C for 12 months from the date of shipment from Xinyouwei. Store in an environment with a relative humidity of 60±10%.
